Dear [REDACTED]

I want to thank you for your presentation and frank responses while representing the Central Intelligence Agency during our panel discussions relating to the operations of US government agencies in developing states.

The depth of understanding and dedicated concern which you demonstrated across the whole field of overseas operations and related problems made a profound impression on our students and faculty. You have made a significant contribution to our studies. We hope you will return whenever the opportunity presents itself.

Warm personal regards.

Sincerely,

  
G. S. ECKHARDT
